SECTION 3

INSTRUCTION TO BIDDERS

3.1 INTRODUCTION

The Ministry of Road Transport & Highways (MORT&H) is responsible for the development, maintenance and management of National Highways and for matters connected or incidental thereto.

MORT&H officiates from Transport Bhawan located at 1, Parliament Street, New Delhi. MORT&H also has Regional offices in most of the State Capitals. Issues relating to Planning for National Highways are being done by MORT&H and the execution of work at site are being done through agencies namely, National Highways Authority of India (NHAI), National Highway (NH) wing of State Public Works Department (PWD), Border Roads Organisation (BRO) etc.

NHAI got a A Company “Indian Highways Management Company Ltd. (IHMCL)” incorporated with equity participation of NHAI (41.38%), Concessionaires (33.81%) and Financial Institutions (24.81%) for implementation of Electronic Toll Collection (ETC) and other Intelligent Transportation System (ITS) / transportation related activities on highways in India.

MORT&H has assigned IHMCL for conducting traffic survey at around ~2300 locations on national highways in India. In that direction, IHMCL invited bids from eligible agencies to conduct traffic survey using portable Automatic Traffic Counter-cum-Classifiers (ATCC) on sections of 2/4/6/8 lane National Highways at identified locations on National Highways in India.

Through this Bid Document, IHMCL invites bids for set-up & provision of Control Centre (CC) services. The agency is expected to collect and store traffic data from the traffic survey agencies. The agency is expected to process and analyze this data to drive key analysis and insights while generating various reports. The agency is expected to host the data along with various reports on a webserver.

3.20.2 Bidder's representative may attend the opening, and those who are present shall sign evidencing their attendance.

3.20.3 The Bidder's names, Bid modifications or withdrawals and such other details as IHMCL at its discretion, may consider appropriate, will be announced at the time of opening.

3.21 EXAMINATION AND EVALUATION OF BIDS

3.21.1 IHMCL reserves the right to modify the Evaluation Process at any time during the Tender Process, without assigning any reason, whatsoever, and without any requirement of intimating the Bidders of any such change.

3.21.2 Any time during the process of evaluation, IHMCL may seek for clarifications from any or all Bidders.

3.21.3 **Phase-1: Document Fee & EMD/Bid Security:** First, the envelope containing Document fee and Bid Security will be opened and if both are found furnished by the bidders in the prescribed manner, then the second envelope containing Technical Proposal documents shall be opened. At any stage during the evaluation, if the EMD is found invalid, the respective Bidder's bid will be summarily rejected.

3.21.4 **Phase-2: Technical Proposal Evaluation:**

The Bidder shall have to fulfil all the Eligibility Criteria as specified, in totality and submit all the required documents. These documents will be scrutinized in this phase of evaluation. Those bidders who do not fulfil the terms and conditions of Eligibility Criteria as specified in this tender will not be eligible for further evaluation.

Evaluation of Technical Proposals by IHMCL shall not be questioned by any of the Bidders. IHMCL may ask Bidder(s) for additional information, visit to Bidder's site and/ or arrange discussions with their professional, technical faculties to verify claims made in Technical Bid documentation from the

Bidder on the already submitted Technical Proposal at any point of time before opening of the Financial Proposal.

3.21.5 **Phase-3:Financial Proposal Evaluation:**

The Financial Proposals of ONLY the Bidders who are short-listed in Phase-2 will be evaluated. The Financial Proposal Evaluation will be based on the “Total **Cost**”, which would be the total payouts, but will exclude the applicable taxes such as Value Added Tax, Service Tax, Sales Tax GST etc.

If there is a discrepancy between the unit price & the total price, the unit price shall prevail and IHMCL shall correct the total price. If there is a discrepancy between words & figures, the amount in words shall prevail. If the bidder does not accept the correction of errors, his bid shall be rejected and the EMD will be forfeited.

The Evaluation Committee shall determine if the financial proposal is complete and without computational errors. The proposal with the **lowest price** will be selected.

3.22 **IMBALANCED BID**

If the Bid of the successful Bidder is seriously imbalanced in relation to the **IHMCL’s estimate** of the cost of work to be performed under the contract, IHMCL may require the Bidder to produce detailed price analysis for any or all items of the Bill of Quantities, to demonstrate the internal consistency of the proposed System. After evaluation of the price analyses, IHMCL may require that the amount of the performance security set forth in [Clause 3.30](#) be increased and an additional performance security may be obtained at the expense of the successful Bidder to a level sufficient to protect the IHMCL against financial loss in the event of default of the successful Bidder under the Contract. The amount of the additional increased performance security shall be equal to the seriously imbalanced amount, which shall be final, binding and conclusive on the bidder.

3.23 **PROCESS TO BE CONFIDENTIAL**

Information relating to the examination, clarification, evaluation, and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any attempt by a Bidder to influence the Employer’s processing of bids or award decisions may result in the rejection of his Bid.

3.24 **AWARD CRITERIA**

Subject to [Clause 3.26](#), the Employer will award the Contract to the Bidder whose Bid has been determined to be responsive to the Tender documents and who has quoted the lowest.

3.25

3.25 IHMCL 'S RIGHT TO REJECT ANY OR ALL BIDS

IHMCL reserves the right to reject any Bid, and to annul the bidding process and reject all bids at any time, without thereby incurring any liability to the affected Bidder(s) or any obligation to inform the affected Bidder(s) of the grounds for such decision.

3.26 NOTIFICATION OF AWARD OF CONTRACT

3.26.1 Prior to the expiration of the Bid validity, the IHMCL will notify the successful bidder that his Bid has been accepted. IHMCL will mention the contract value in the Letter of Award (LOA).

3.27.2 The Contract Agreement will incorporate all agreements between the IHMCL and the successful Bidder. It will be signed by the IHMCL and the successful Bidder after the performance security is furnished. IHMCL will issue notice to commence the work after signing of contract.

3.27.3 Upon furnishing of the Performance Security by the successful Bidder, IHMCL will promptly notify the other Bidders that their Bids have been unsuccessful. EMDs of unsuccessful bidders will be returned back to them after signing of contract agreement with the successful bidder.

3.28 CONFIDENTIALITY

3.28.1 The Bidder shall keep confidential any information related to this tender with the same degree of care as it would treat its own confidential information. The Bidders shall note that the confidential information will be used only for the purposes of this tender and shall not be disclosed to any third party for any reason whatsoever.

3.28.2 As used herein, the term "Confidential Information" means any written information, including without intimation, information created by or for the other party, which relates to internal controls, computer or data processing programs, algorithms, electronic data processing applications, Source Code, routines, subroutines, techniques or systems, or information concerning the business or financial affairs and methods of operation or proposed methods of operation, accounts, transactions, proposed transactions or security procedures of either party or any of its affiliates, or any client of either party, except such information which is in the public domain at the time of its disclosure or thereafter enters the public domain other than as a result of a breach of duty on the part of the party receiving such information. It is the express intent of the parties that all the business process and methods used by the Bidder in rendering the services hereunder are the Confidential Information of the Bidder.

3.28.3 At all times during the performance of the Services, the Bidder shall abide by all applicable IHMCL /NHAI/MoRTH's security rules, policies, standards, guidelines and procedures. The Bidder should note that before any of its employees or assignees is given access to the Confidential Information, each such employee and assignees shall agree to be bound by the term of this tender

and such rules, policies, standards, guidelines and procedures by its employees or agents.

- 3.28.4 The Bidder should not disclose to any other party and keep confidential the terms and conditions of this Contract agreement, any amendment hereof, and any Attachment or Annexure hereof.

A copy of **Non Disclosure Agreement** as per the enclosed format at section -7 has to be signed by the successful bidder during signing of the contract agreement.

The obligations of confidentiality under this section shall survive rejection of the contract.

- 3.28.5 Bidders shall not be under a declaration of ineligibility for corrupt and fraudulent practices by the Central Government, the State Government or any public undertaking, autonomous body, authority by whatever name called under the Central or the State Government.

3.29 SIGNING OF AGREEMENT

IHMCL shall ask the Successful Bidder to furnish the Performance Guarantee and also to execute the Contract Agreement.

3.30 PERFORMANCE SECURITY

- 3.30.1 Within 15 (Fifteen) days of the receipt of the Letter of Award, the successful Bidder shall submit performance security in the form of Bank Guarantee for Rs. 25,00,000/- (Rupees Twenty Five Lakhs only).

- 3.30.2 **3.30.2** The Performance Security shall be submitted in the form of Bank Guarantee issued in the name of IHMCL by a bank mentioned under [clause no: 3.31](#) as per the format given in [Annexure -7.5](#) of Bid Document and will be valid for **a period of 180 days after the expiry of contract period.**

- 3.30.3 The Performance Guarantee shall be payable to the IHMCL as a compensation for any loss resulting from the Service Provider's failure to complete its obligations under the contract.

SECTION -V

SCOPE OF WORK

5.1 Background

The Ministry of Road Transport & Highways (MORT&H) is responsible for the development, maintenance and management of National Highways and for matters connected or incidental thereto.

MORT&H through NHAI assigned IHMCL for conducting traffic survey at around 2300 locations on national highways in India. In that direction, IHMCL invited bids from eligible agencies to conduct traffic survey using portable Automatic Traffic Counter-cum-Classifiers (ATCC) on sections of single/ intermediate/2/4/6/8 lane National Highways at identified locations on National Highways in India.

Through this RFP, IHMCL invite bids for set-up & provision of Control Centre (CC) services. The agency is expected to collect and store traffic data from the traffic survey agencies. The agency is expected to process, validate and analyze this data to drive key analysis and insights while generating various reports. The agency is expected to host the data along with various reports on a webserver.

Total points under the command center will be ~4100 each round of survey. Data related to ~1800 points from earlier 4 round of surveys residing with the current command and control center vendor will also need to be migrated to the new command and control center

5.2 Control Centre (CC) Services include but not limited to the following:

- (i) Collection of traffic survey data from all agencies (Traffic survey agency shall submit data on web portal alongwith submission of video at control centre)
- (ii) Compilation of traffic survey data received from all locations /zones
- (iii) Processing of traffic survey data received from all locations/zones to represent it in a systematic manner
- (iv) Validation of traffic survey data received from all locations/zones using the uploaded video feeds (Validation of traffic survey data shall be conducted on random sampling basis)
- (v) Driving new analysis and insights from the traffic survey data to propose new initiatives/interventions within and outside MoRTH/NHAI/IHMCL
- (vi) Design/ customise various types of reports and graphs as per the requirements of IHMCL NHAI/ MoRTH
- (vii) Setup, maintain and operate Database System for traffic survey data. Database system shall be structured for storing & allowing access to

specific zones, states, locations and time periods. The traffic survey data needs to be uploaded in the database Server

- (viii) Setup, maintain and operate Web based Cloud system for remotely accessing the traffic survey reports as per the requirements of IHMCL
- (ix) The web based system shall support real time report generation with configurable parameters and / or filters for region, state, date and time. Also the system shall allow exporting of data / reports in MS-Excel formats and PDF formats.
- (x) Create and manage user accounts and provide privilege based access to specific Survey data to specific users.
- (xi) The User account creation & privileges shall be under control of IHMCL.
- (xii) The User account management and data access privileges shall be completely configurable via GUI.
- (xiii) Safe custody of traffic survey reports/ data received in the form of hard copies and electronic media
- (xiv) Traffic survey Data shall be stored & accessible for entire Contract Period.
- (xv) IHMCL shall have right to change or customize the type of reports and graphs as per the requirements at any time
- (xvi) The Service Provider shall migrate existing or old traffic survey data of IHMCL to current Server on as is where is basis.
- (xvii) Traffic survey raw data shall also be stored at Control Centre. Raw data shall be submitted by Traffic Survey agencies within 04 days after completion of survey. Control centre agency may be asked by IHMCL for validation of raw data as well.
- (xviii) Reports shall be available for multiple locations, complete stretch reports based on yearly/multiple surveys, Predictive based data trends, forecasting or simulated traffic trends etc.
- (xix) The Service Provider shall process and analyse the collected traffic data to provide multiple graphical reports on yearly, half-yearly traffic trends based on actual vs predictions along with forecasting data.
- (xx) The Service Provider shall provide analysis on the collected traffic data for hourly, daily and weekly on the basis of
 - a. Vehicle Speed analysis including directional or stretch level indicators
 - b. Public vs Private transport vehicle speed analysis
- (xxi) The Service Provider shall process and analyse the collected traffic data on the Peak Hour Traffic Directional Split with graphical representation of multiple vehicle types on selectable basis.
- (xxii) The Service Provider shall process and analyse the traffic data collected, and provide data periodically by NHAI/IHMCL for general public use along with User registration for public and control on report generations.
- (xxiii) The Service Provider shall process and analyse the traffic data to provide the information on the traffic aggressions through map interface.

- 5.3 Service Provider will be responsible for collection and compilation of traffic survey data received from all locations/zones. Service provider will be responsible for processing the traffic survey information and its representation in systematic manner.
- 5.4 Immediately after receipt of traffic data (in electronic form) from survey agencies, the Service Provider shall upload the traffic data on their Web Server to enable the authorised users of employer accessing reports remotely. The server must be hosted on MeITY empanelled cloud service provider data centre. The traffic survey data collected (both vehicle class and vehicle count) across zones/agencies shall be validated with the video of traffic survey received in electronic form (HDD media). The video need not have to be loaded in any Web Server.
- 5.5 The Service Provider shall process and analyze the collected traffic data as per the requirement of the IHMCL:for Hourly, daily, weekly, monthly and yearly traffic variation with pictorial diagrams/graphs for all types of vehicles to determine, but not be limited to, the following:
- (i) Monthly traffic composition
 - (ii) Traffic pattern in urban / rural locations
 - (iii) Seasonal traffic variation factors
 - (iv) Growth factors
 - (v) Trend analysis
 - (vi) Forecasting
 - (vii) Peak hour and lean hour analysis and factors
 - (viii) Modal shift

The Service Provider shall perform any other analysis of collected traffic data as per the requirement of Employer for which no additional cost shall be payable.

- 5.6 The Service Provider shall analyze the final validated traffic data across the overall network to generate insights, possible implications and propose key initiatives/interventions specific to IHMCL/MoRTH or otherwise.

The Service provider will be required to submit detailed reports every half year detailing the key insights from the traffic survey data and their possible implications for IHMCL/MoRTH or otherwise. The Service Provider shall include the proposed interventions/ initiatives/ measures that are to be undertaken by MoRTH or otherwise to act on these possible implications.

Some of the key analysis using the traffic survey data to drive insights for MoRTH or otherwise are as follows -

- (i) Network Planning – Identification of stretches with need for bypasses, augmentation etc. basis traffic intensity
- (ii) Need for access controlled highways – Identification of stretches with significant traffic variation of traffic across stretch and numerous leakage points – need for access controlled highways

- (iii) Commercial Usage of stretch – Proportion of commercial vehicles vs other vehicles – Need for better facilities (access controlled highways etc.) to ensure logistics efficiency
- (iv) Public Transport Penetration – Proportion of public transport (buses) vs private transport – Low penetration of public transport, need to increase public buses on identified routes
- (v) Average speed variation over the stretch – Bypasses, augmentation, maintenance required to increase average speed across stretch

5.7 SYSTEM REQUIREMENTS

5.7.1 Service Provider shall have minimum following systems in the Control Centre:

PROVIDED ALWAYS THAT IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES, LOST BUSINESS, LOST SAVINGS OR LOST PROFITS OR REVENUES RESULTING FROM A BREACH OF THIS AGREEMENT EVEN IF THE BREACHING PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF THE OCCURRENCE OF SUCH DAMAGES.

11. Non-Publicity

The parties shall not make any announcement or disclosure of any kind whatsoever concerning this Agreement, including without limitation the existence of this Agreement, without the other Party's prior written consent unless such announcement and/or disclosure is required by law.

12. Notwithstanding anything contained herein to the contrary, the obligations of the Parties herein shall continue for a period of one (1) year from the date of this Agreement or if a further agreement is entered into, the termination of such further agreement, whichever is the later.

13. The Receiving Party agrees that the obligations contained in this Agreement shall extend to the affiliated companies of the Receiving Party and to all its advisors and consultants. In this respect the Receiving Party represents that an agreement to keep such information confidential, on terms similar to this Agreement, is in place before disclosing any Confidential Information to such affiliate, advisor or consultant.

14. Entire Agreement

This Agreement constitutes the entire agreement and understanding between the parties in respect of Confidential Information and supersedes all previous agreements, understandings and undertakings in such respect. This Agreement cannot be amended except by written agreement signed on behalf of each party by their authorized signatories.

15. Dispute Resolution

The parties shall attempt to resolve any dispute arising out of or in connection with this Agreement by mutual consultation, failing which such dispute shall be referred to and finally

resolved by arbitration in India under the auspices and governed by the provisions of the Arbitration and Conciliation Act, 1996. The arbitration shall be at **Delhi** and only the courts at **Delhi** shall have the jurisdiction to try any matters arising from the arbitration. The language of the arbitration shall be in English.

16. Governing Law and Jurisdiction

This Agreement shall be governed by and construed in all respects in accordance with the laws of India

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives on the day and year first above written

On behalf of **Disclosing Party**
