ADVERTISEMENT FOR INCLUSION OF NEW MEMBER BANKS

Indian Highways Management Company Ltd. (IHMCL), a company promoted by National Highways Authority of India (NHAI), is currently implementing the National Electronic Toll Collection (NETC) Programme across the country. The programme provides a unified and interoperable Electronic Toll Collection solution for National Highways in India. The NETC programme allows electronic payment of toll taxes on National Highways through a RFID-based tag called **FASTag**, which is usable across all fee plazas on National Highways.

As on date, over 490 toll plazas along the National Highways are covered under the NETC programme and 22 banks have been empanelled to issue FASTag to commuters/users. For details on NETC programme please visit www.ihmcl.com or <https://www.npci.org.in/netc>.

With a view to further extending the programme outreach, IHMCL is desirous of on-boarding of new Member Banks under NETC programme and invites proposal from reputed Banks to join the *National Electronic Toll Collection Programme*.

Eligibility Criteria for New Banks are:

1. Should be authorised by RBI to carry out operations in India / possess banking license by RBI.
2. Should have availability of core banking facility and mobile banking.
3. Should be listed on UPI platform of National Payments Corporation of India (NPCI).

Interested Banks may write to the undersign for further information.
